HELIUS

ABOUT HELIUS

Founded in 2011, Shenzhen Tuliang Technology Co., Ltd. is a manufacturer and end-to-end supply chain service provider with 15 years of specialized experience in the cross-border flashlight and lighting industry. Headquartered in Shenzhen, Guangdong, the company's team of over 200 employees covers all aspects of the business, including product R&D, precision manufacturing, cross-border e-commerce, supply chain management, quality control, and after-sales operations and maintenance. The company owns a standardized production facility of over 2,000 square meters and a brand showroom of over 150 square meters, equipped with 15 fully automated mass production lines, solidifying its position among the top players in the cross-border lighting industry.

The company's product portfolio encompasses a full range of lighting products, including LED flashlights, headlamps, bicycle lights, searchlights, camping lights, and work lights. Its products are exported to over 100 countries and regions, and the company has established deep partnerships with more than 2,000 domestic and international distributors, having served over 500 e-commerce clients to date. Guided by the mission "15 Years of Smart Manufacturing in Cross-Border Lighting · Win-Win with Global Merchants," the company is committed to providing global cross-border merchants, brand owners, and engineering procurement clients with integrated lighting solutions for global expansion—encompassing R&D, customization, production, warehousing, and worldwide delivery.
